

Rep. Dylan Fernandes
to speak at
PFLAG Meeting in Falmouth
Tuesday, April 30th at 7:00 pm

Falmouth Jewish Congregation
7 Hatchville Road . East Falmouth

Since 2017, Rep. Fernandes has served in the Massachusetts House representing Falmouth, Martha's Vineyard, and Nantucket. A firm believer in progressive leadership, he served as Maura Healey's political director managing her statewide field staff and new media teams on her 2014 campaign. Most recently, Rep. Fernandes worked as digital director in the Attorney General's Office where he launched innovative advocacy campaigns supporting LGBT rights, equal pay for equal work, and clean energy solutions and environmental stewardship. He partnered with the Boston Bruins, Boston Celtics, Hollywood celebrities and LGBT organizations from across the state to launch the nationally recognized "Everyone Welcome" campaign supporting the bill for transgender equality.

Please join us in welcoming Rep. Fernandes to the PFLAG meeting on April 30th and hearing about his work in the Massachusetts House of Representatives! A brief reception with light refreshments will take place after his presentation, followed by a support meeting until 8:30 pm for those interested.

(Please note that another event will also be taking place that evening at the Falmouth Jewish Congregation. To avoid any confusion, please follow the signs for the location of the presentation and support meeting.)
