

**Be Part of a National Event:
Learn more about how YOU can be part of a
SAGE Table on Cape Cod**

SAGE Table is a special one-day event that asks you to share a meal with LGBT people and allies of different generations. Simply sitting down to a table together gives us all a chance to have conversations that many of us have never had before. As we build connections among LGBT people of all ages, we strengthen our community ties, learn more about how we can care for each other, and forge new traditions.

SAGE Table was created with strong support from AARP. We believe that thriving together means learning how to tap into all of the diverse ways that our communities care for each other.

This year, a SAGE Table will be held on Thursday, November 8th at the Barnstable Senior Center.

To learn how you can be involved, please call Donna Burns @ (508) 862-4753 or email: donna-marie.burns@town.barnstable.ma.us.org

Thank you to the GALE Fund for their generous funding of this even
